

A stylized illustration of a green monster's head. The head is semi-circular with two large, round eyes with yellow irises and black pupils. A large, teal, oval-shaped nose is in the center. Above the head are several wavy, purple and teal shapes resembling hair or spikes. The background is black with scattered green lightning bolts and pink diamond shapes.

What has
a bluish-greenish nose,
sharp white teeth,
and big yellow eyes?

It's Big Green Monster!

But don't be frightened. Turn the pages of this die-cut book and watch him grow. Then, when you're ready to show him who's in charge, just turn the remaining pages, and make him disappear.

With *Go Away, Big Green Monster!*, Caldecott Award-winning author-artist Ed Emberley has created an ingenious way for kids to chase away their nighttime monsters.
